LETTER OF ACCEPTANCE

May 22, 2023

RE: **Bakhshi, Shayan,**
DOB: **January 14, 2011, Iran**

Dear Parent(s)/Guardian(s),

Congratulations, and welcome to the York Region District School Board. We are pleased to accept Shayan as a New international student attending an academic program offered at Maple Creek Public School commencing September 5, 2023 and ending June 30, 2024.

We have received all the required application documents, tuition payment and medical insurance fees.

In preparation for departure from the home country, we request that you visit our website to follow the [Steps to Follow](#) and review the [travel guidelines](#) established by the Government of Canada.

YRDSB reserves the right to determine the final school and grade placement. The student will be subject to an evaluation by school personnel upon registration which will include English and Math assessments to determine the level of ESL support needed. In the Ontario education system, students are placed in a grade according to their year of birth. It is common for a secondary school student who is designated to a particular grade to take subjects at a different grade level as long as s/he meets the subject prerequisites.

In preparation for arrival, as Shayan Bakhshi is not a Canadian Citizen or permanent resident of Canada, it will be necessary to contact Immigration, Refugees and Citizenship Canada (IRCC) to obtain a Study Permit for registration at Maple Creek Public School. Travel plans should not be made until the student has met all the travel requirements imposed by the Government of Canada and obtained all the necessary authorizations to qualify to come to Canada under current travel rules.

Students not living with a parent must complete the Education Services Agreement provided and submit it at the time of registration.

This offer expires on September 15 for students starting Semester 1 in September, OR February 15 for students starting Semester 2 in February. If you are unable to arrive by this date, contact the Admissions Office as soon as possible. Secondary students are expected to attend the Orientation Program; more information will be forthcoming.

If you require any further information, please do not hesitate to contact a member of the Admissions Team. I wish you a great learning experience with the York Region District School Board.

Yours truly,
